ABOUT ME :

I am from Argentina, I consider myself a proactive, dynamic, responsible person, with intentions of learn new things and to advance professionally.
I work well individually and in a team.

SKILLS :

PROJECTS :

Koala Chat

I consider this page **my best project**, basically it pretends to be a social network, you will have your profile, followers, following, a global chat, private chat rooms and some other things.

<https://koala-chat.vercel.app/>

If you don't want to create an account, you can use this one: Email: "sesecita@live.com", Password: "dedede".

Tom Crude

This page consists of a compilation of my best drawings, as well as some extra things related to the artistic world.

<https://tom-crude.vercel.app/>

Brain Memory Game

This page is about a memory game where you will have to memorize numbers and at the end you will get a score.

<https://brain-memory-game.vercel.app/>

Global Chat

This page is about a chat room, where you can talk with random people. (In this page you can use commands like: //clear //bomb //screamer)

<https://global-chat.herokuapp.com/chat>
